Beautiful heifer from the heart of our breeding. Her special dam "Helm Grand Desire" has been a consistent producer for us and is the full sister to our "Helm Somethings Burning" (96" ttt). Her maternal Grand Dam "Asocl Burning Desire" is approaching 90" ttt and sits at the heart of our productive horn breeding program. Her Sire "Big League" has more twist in his Pedigree than a "Philadelphia Pretzel Factory" and is giving us consistent
