Very Sweet Heifer, great disposition and plenty of horn. "Attina" combines the pedigrees of (2) Legendary producers; First is her dam "SHR Majestic Mermaid" (100"ttt) the longest horn and we believe the best producer of the great "RC Pacific Mermaid" Dam and Second her paternal grandam is the Legendary "D/O Miss Grande" who is well known in the industry for producing "CASH COW" offspring as well as superior Herd Sires.
