"Majestic Rose" we just feel like this girl and her sister "Sirena Rose" have some great progeny in their future. Sired by "Rebel HR" > HR Slams Rose > LLL Rose Mary over the top of "SHR Majestic Mermaid" (102" ttt ) > RC Pacific Mermaid they are simply packed with predictable production power !!! Great body, Great Red Roan, Great Conformation, Great Early Horn just gives her that future excellent brood Mamma look and feel. Excited to watch
